Key Sports Journals

Journals are an important source of information for your studies. You will need to use these during your degree particularly for essays and projects.

By including journal articles in your research you will be accessing the most up to date and interesting material. This in turn gives better quality to your work.

The list below gives details of current print journals housed within the Drill Hall Library.

Many other important journals are available electronically. For details of how to access these start by using LibrarySearch in the My Learning / Learning Support page in the portal.

- ACSM's Health & Fitness
